

THE CHAMPION DEVELOPMENT OFFICE INVITES  
YOU TO BECOME A MEMBER OF THE

 Champion Baptist College

# Heritage Club

The Heritage Club is a yearly giving program that was designed to help the parents, grandparents, and friends of Champion Baptist College students and alumni stay connected in a very real way.

The Heritage club is a "members only" group that collectively gives toward a specific project within the college. The project is chosen yearly by our Chancellor and college administrators.

By making a gift to the Heritage Club this year and every year, you demonstrate to your student your unwavering commitment and support of their higher education. Uphold Champion's tradition of giving by supporting the Heritage Club today!
